

Iridium Extreme®

2023-05 v1

The smarter, tougher satellite phone

Iridium Extreme® is the first phone to combine location awareness, SOS, and market-leading, world-beating toughness. Iridium Extreme combines an unmatched feature set including location awareness and a fully integrated SOS button with emergency response service. Iridium's most compact handset to date, the Iridium Extreme is enhanced with more features than ever before.

Key Features

- Compact physical footprint for streamlined portability
- Intuitive user interface for out-of-the-box ease of use
- Jet-water, shock and dust resistance for unparalleled durability
- Enhanced SMS and email messaging capability
- Integrated speakerphone
- Headset and hands-free capability
- Internally stowed antenna
- Mini-USB data port
- Accessories to create instant Wi-Fi hotspots anywhere
- Reliable two-way global coverage

Connected. Everywhere.
